

2019 Equity in Athletics Disclosure Act (EADA) – Fall 2015 Graduation and Transfer Rate Report

Ellsworth Community College

According to federal Student Right-to-Know legislation, schools that offer athletically related student aid must produce an annual report that includes enrollment, completion and graduation rates. This report must include rates for all students and for students who receive athletically related student aid.

This report provides the IPEDS first-time, full-time, degree-seeking cohort 150 percent graduation and transfer rates for the FA2015 cohort and for students who received athletic student aid.

Questions about this report should be directed to the IVCCD Institutional Researcher.
