Important Financial Aid Checklist

Step 1

Complete the Free Application for Federal Student Aid (FAFSA). The FAFSA is the starting point for all students to apply for federal and state financial aid. Here is where you apply:

- The quickest way to apply is online using FAFSA on the web at www.fafsa.gov.

Be sure to list **ECC's federal school code (001862)**

Step 2

When you complete the online version of the FAFSA, you must apply for a Federal Student Aid (FSA) ID and password at <https://fsaid.ed.gov> to electronically sign your FAFSA. If you are a dependent student, a parent will also need to apply for the FSA ID. The FSA ID request can be done during the filing of your FAFSA. **(Make sure you keep record of your FSA ID. You will use this each year you file a FAFSA and when you apply for any federal student loans.)**

Step 3

Watch for your Student Aid Report (SAR). You should receive an email within 3-5 days if you submitted your FAFSA electronically. Once you receive your SAR, via email (**email address you provided on your FAFSA application**), you should verify that all information listed on it is accurate. If there are no corrections you can simply file it for your records. If there are corrections, you need to go online to www.fafsa.gov. Sign in, choose "FAFSA corrections," and submit your corrections. A new SAR will be sent to the ECC Financial Aid Office.

Step 4

The ECC Financial Aid Office will receive your SAR within 7-10 days after it is processed. You will receive an email (**email address you provided on your FAFSA application**) or a letter by regular U.S. mail from the ECC Financial Aid Office indicating what forms are necessary for you to complete your financial aid package. The Financial Aid Office will also provide you with a **student ID and password** so you can track your financial aid process on our website through [Paw Pass > Online/Financial Aid Award System](#). All students will be **required** to fill out a **Financial Aid Information Form**. This form is found on the "apply online" tab of the Online Financial Aid Award System and also on our ECC website under Financial Aid > Forms. **If you have been selected for verification, the ECC Financial Aid Office will notify you via email or mail with additional verification documents we may need.**

Step 5

Your financial aid award will be processed after all documentation is received. This process can take up to 8 weeks.

Step 6

The ECC Financial Aid Office will send you an award package via email or regular mail. If you gave consent to contact electronically on your Financial Aid Information Form, the Financial Aid Office will use that email address to send your award letter. **Once you receive your award letter via email, you need to go to Paw Pass and the ECC Online Financial Aid Award System and sign/accept/decline your award letter.** If you received your award package through the mail, please sign and return the original to the Financial Aid Office.

Also, you will need to complete an **Entrance Counseling Form** and a **Master Promissory Note**. Both of these forms can be completed at www.studentloans.gov. You will need your FASFA ID and Password to submit.
