

2021 Equity in Athletics Disclosure Act (EADA) – Four-Year Average Graduation and Transfer Rate Report

Ellsworth Community College

According to federal Student Right-to-Know legislation, schools that offer athletically related student aid must produce an annual report that provides the most recent four-year average graduation and transfer rates. This report must include rates for all students and for students who receive athletically related student aid.

This report provides the IPEDS first-time, full-time, degree-seeking cohort average graduation and transfer rates for the FA2014 - FA2017 cohorts and for students who received athletic student aid.

Categories with five or fewer students are noted with an asterisk (*). Questions about this report should be directed to the IVCCD Institutional Researcher.
