

## Iowa Valley Community College District\* Emergency Notification System

The IVCCD Emergency Notification System (ENS) alerts college students, faculty, and staff in the event of a weather or critical incident emergency. The contact information you provide will be used in the event of an emergency that impacts the health and safety of the college community or closures of campuses.

Emergency messages will be sent to your SMS/Text phone number provided on your admissions application and to your student email address.

### **Automatically Enrolled**

All students are automatically enrolled in the IVCCD Emergency Notification System.

### **Changes**

Changes to your phone information must be completed by submitting a Personal Information Change Form to the Registrar's Office as soon as possible to ensure that you will receive alert messages.

### **Opt Out**

You may elect to opt-out of receiving text messages from the IVCCD Emergency Notification System by texting "stop alert" to 23177. You cannot opt out of receiving emergency messages to your student email account.

### **Opt In Later**

If you opt out and want to opt back in later, text "subscribe alert" to 23177.

### **Students enrolled in ENS prior to Fall 2014**

If you were previously enrolled in the ENS your information will be purged and you will be re-enrolled using the cell phone information provided on your admissions application and your student email address.

***\*Iowa Valley Community College District operates Ellsworth Community College (Iowa Falls), Marshalltown Community College, and Iowa Valley Grinnell. Emergency messages are customized to student/staff groups at the respective campuses. Students only receive emergency messages originating from the college campus at which they're enrolled.***
