

Business Administrative & Information Services Assistant

Diploma

(Code: EVBAI)

Program prepares students to provide administrative, information services, and technical assistance to clients in a business office or remotely as a virtual assistant from a home office. Tasks include bookkeeping; online research; presentations; travel planning, scheduling; database, e-mail, and social-media management; and industry-specific responsibilities. Preparation includes fundamental skills in keyboarding, communications, and finance, along with training in computer hardware, computer applications, and web-design skills in an information technology context. Test-out options and Microsoft certifications are available.
