

CEP (Concurrent Enrollment Program)

Dual Credit courses offered at West Marshall

AGS113 Survey of the Animal Industry (ECC course)

3 credits

Processes and principles involved in animal production and management (an introduction to livestock enterprises and related industries).

AGB330 Farm Business Management (ECC course)

3 credits

Business and economic principles applied to decision making and problem solving in the management of a farm business, cash flow, partial, enterprise, and whole farm budgeting. Information systems for farm accounting, analysis, and control. Obtaining and managing land, capital, and labor resources. Alternatives for farm business organization and risk management.

EGT400 PLTW-Introduction to Engineering (MCC course)

3 credits

This course uses a design development process while enriching technical and engineering problem-solving skills; students create and analyze models using specialized computer software (AutoCAD Inventor).

EGT410 PLTW-Principles of Engineering (MCC course)

3 credits

Using technology systems and manufacturing processes, students find out how math, science, and technology help people. This course was developed by Project Lead the Way.

Information about CEP Courses

-an agreement between West Marshall and MCC/ECC

Registering for MCC credit

All students must register through the high school counseling office. The High School Student Application/Registration form must be submitted to the MCC Admission's Office.

Earning credit

A student enrolled in dual credit earns both West Marshall and MCC/ECC credit. West Marshall Community School District pays for the college credit(s). Take each class seriously, remembering that the grade(s) will be permanently recorded on an official college transcript that follows throughout all college endeavors.

Dropping a class

For a student to drop a college credit class, two drop forms must be completed: one for West Marshall and one for MCC. The West Marshall counselor has the MCC drop slip, which requires the signature of the instructor and the high school counselor. The West Marshall Counseling Office collects and mails the drop slips to MCC. **The last day to drop 2017-18 courses, through the College, is November 17 (Fall semester) and April 13 (Spring semester).**

Failing a class

The failure of a pupil to complete or otherwise receive credit for an enrolled course requires the pupil to follow the individual procedures of his/her school.

Transferring the credit to another college

A student must request the transfer of credit by submitting a transcript request form to the MCC and/or ECC Registrar's Office (as listed above, the agriculture courses are offered through ECC). **The form is available at the Registrar's Office or online.** Access the MCC request form at <https://mcc.iavalley.edu/resources-for-students/registrars-office/> and the ECC request form at <https://ecc.iavalley.edu/resources-for-students/registrars-office/>.

The College charges a minimal \$5 processing fee to send a transcript. The student must pay this fee; West Marshall Community School District does not pay this fee. The transcript may be sent immediately or select 'send at the end of the term' to ensure all grades are posted on the transcript. The MCC Registrar's Office and the ECC Registrar's Office operate independently. If you've taken classes through both, you'll need to contact both offices to request that a transcript be sent from each institution. **As you submit college applications, you need to indicate that you have transfer credits.**
