

Americans with Disabilities Act (ADA)

In 1990, Congress passed the Americans with Disabilities Act to provide persons with disabilities equal access to employment, education, and social services. MCC is committed to the regulations of the Americans with Disabilities Act in making reasonable accommodations for students or patrons of the College in accessing its facilities.

IVCCD and MCC have a formal procedure (Board Policy 516) for relocating programs, classes, services, or activities to accommodate students with disabilities and to assure accessibility to College facilities. Any student with a disability who has a need for accommodations must notify the College administration of his/her needs, and the College will effect changes in a reasonable manner to assist the student in being successful in the College environment. Steps for obtaining such accommodations are listed in the [MCC Student Handbook](#) under Student Policies & Procedures.

To make ADA identification, students should contact Martha Schwandt, Learning Services Specialist (641-844-5769 or Martha.Schwandt@iavalley.edu). A student who feels his or her accommodation needs have not been met should contact Ms. Schwandt; if that does not result in satisfaction, students should follow the grievance procedure under Student Policies & Procedures in the [MCC Student Handbook](#).
