

CEP (Concurrent Enrollment Program)
Dual Credit courses offered at GHS

AGS113 Survey of the Animal Industry (ECC course) 3 credits
Processes and principals involved in animal production and management (an introduction to livestock enterprises and related industries).

ENG105 Composition I (MCC course) 3 credits
Written communication using various rhetorical methods. For students whose standardized test scores indicate insufficient preparation, prerequisites are ENG060, ENG061 and/or instructor approval.

ENG106 Composition II (MCC course) 3 credits
A study of written communication emphasizing argumentation, persuasion, investigation, and the research paper.

HCM 100 Sanitation and Safety 2 credits
This course provides the student with a solid foundation in foodservice sanitation and safety. Students are required to pass the state sanitation exam for certification in order to continue in the culinary arts curriculum.

WEL228 Welding Safety/Health (MCC course) 1 credit
Career and Technical Credit Type
This course will provide students with orientation to the welding profession and will cover the basics of safety and health within the welding profession

WEL233 Print Read/Sym Inter (MCC course) 3 credits
Career and Technical Credit Type
Provides instruction in interpreting elements of welding prints (drawings or sketches), focusing on measurement, American Welding Society welding symbols, and fabrication requirements. Students will understand how to prepare, assemble and tack welding parts according to drawings or sketches, using proper materials and tools.

WEL244 GMAW Sh Cir Transfer (MCC course) 3 credits
Career and Technical Credit Type
Focuses on proper weld safety, machine set up and welding techniques of Gas Metal Arc Welding Short-Circuiting Transfer. Students perform American Welding Society compliant welds on carbon steel, in flat, horizontal, vertical and overhead positions. This course will prepare students to take an AWS welder certification test, which is recommended.

WEL262 OFC-I Manual and Mech (MCC course) 3 credits
Career and Technical Credit Type
Focuses on proper safety, equipment setup and cutting techniques for manual and mechanized Oxyfuel cutting on carbon steel. Students perform American Welding Society compliant cutting operations in the flat position. The student will also performs scarfing and gouging operations to remove base and weld metal in flat and horizontal positions on carbon steel.

MAT765 Welding Mathematics (MCC course) 3 credits
Covers basic algebra as it relates to fundamental equations, ratios and proportions, and percentages. Also covers basic right angle trigonometry and provides for additional practice in solving stated problems.

WEL245 GMAW Spray Transfer: SENSE1 (MCC course)**2 credits****CAREER AND TECHNICAL**

Focuses on proper weld safety, machine setup and welding techniques of Gas Metal Arc Welding Spray Transfer. Students perform American Welding Society compliant welds on carbon steel in flat and horizontal positions. This course will prepare students to take an AWS welder certification test, which is recommended for its successful completion. It aligns with SENSE Level 1 Module 5 Key Indicators 1, 2 and 8-12, as well as Module 2 - Indicator 7, Module 3- Key Indicator 3, and Module 9 – Key Indicator 2.

WEL263 PAC/CAC: SENSE1 (MCC course)**2 credits****CAREER AND TECHNICAL**

Focuses on proper safety, equipment setup and cutting techniques for Plasma and Carbon steel Arc cutting on carbon steel, austenitic stainless steel, and aluminum. Students perform American Welding Society compliant cutting operations in the flat position. The student will also perform scarfing and gouging operations to remove base and weld metal in flat and horizontal positions. This course aligns to SENSE Level 1 Module 8 - Units 3 and 4, as well as Module 2 – Key Indicator 7 and Module 9 – Key Indicator 1.

WEL281 FCAW Gas-Shielded: SENSE1 (MCC course)**2 credits****CAREER AND TECHNICAL**

Focuses on proper weld safety, machine setup and welding techniques for Flux Cored Arc Welding (Gas Shielded). Students perform American Welding Society compliant welds on carbon steel in flat, horizontal, vertical and overhead positions. This course will prepare students to take an AWS welder certification test, which is recommended for its successful completion. It aligns to SENSE Level 1, Module 6 - Key Indicators 1-7, as well as Module 2 – Key Indicator 7, Module 3- Key Indicator 3, and Module 9 – Key Indicator 2.

Information about CEP Courses *-an agreement between GHS and MCC/ECC*

Registering for MCC credit

All students must register through the high school counseling office. The High School Dual Credit Application is located on our website:

<https://mcc.iavalley.edu/admissions/enrollment/apply/>

Earning credit

A student enrolled in dual credit earns both GHS and MCC/ECC credit. Grinnell-Newburg Community School District pays for the college credit(s). Take each class seriously, remembering that the grade(s) will be permanently recorded on an official college transcript that follows throughout all college endeavors.

Dropping a class

For a student to drop a college credit class, two drop forms must be completed: one for GHS and one for MCC. GHS counselors have the MCC drop slip, which requires the signature of the instructor and the high school counselor. The GHS Counseling Office collects and mails the

drop slips to MCC. **The last day to drop 2021-22 courses, through the College, is October 22nd (Trimester 1), January 21st (Trimester 2), and May 2nd (Trimester 3).**

Failing a class

The failure of a pupil to complete or otherwise receive credit for an enrolled course requires the pupil to follow the individual procedures of his/her school.

Transferring the credit to another college

A student must request the transfer of credit by submitting a transcript request form to the MCC and/or ECC Registrar's Office (as listed above, the agriculture courses are offered through ECC). **The form is available at the Registrar's Office or online.** Access the MCC request form at <https://mcc.iavalley.edu/resources-for-students/registrars-office/> and the ECC request form at <https://ecc.iavalley.edu/resources-for-students/registrars-office/>.

The College charges a minimal \$5 processing fee to send a transcript. The student must pay this fee; Grinnell-Newburg Community School District does not pay this fee. The transcript may be sent immediately or select 'send at the end of the term' to ensure all grades are posted on the transcript. The MCC Registrar's Office and the ECC Registrar's Office operate independently. If you've taken classes through both, you'll need to contact both offices to request that a transcript be sent from each institution. **As you submit college applications, you need to indicate that you have transfer credits.**
