

CEP (Concurrent Enrollment Program)
Dual Credit courses offered at MHS

AGB235 Introduction to Agriculture Market

3 credits

Reviews the principles of basic economics and consumerism, addresses the movement of the physical commodity through marketing to the consumer, and stresses alternatives available to the producer. Course project is required.

AGB330 Farm Business Management

3 credits

Business and economic principles applied to decision making and problem solving in the management of a farm business, cash flow, partial, enterprise, and whole farm budgeting. Information systems for farm accounting, analysis, and control. Obtaining and managing land, capital, and labor resources. Alternatives for farm business organization and risk management.

AGB336 Agriculture Selling

3 credits

Provides novices with the basics for effective selling presentations: Handling objections, using pitch books, effective utilization of features and benefits, and asking for the order.

AGS113 Survey of the Animal Industry

3 credits

Processes and principals involved in animal production and management (an introduction to livestock enterprises and related industries).

EDU160 Human Growth and Development

3 credits

Examines physical, social, and cognitive development from conception to death, utilizing current research.

MAT110 Math for Liberal Arts

3 credits

An exploration of critical thinking, problem solving and decision making based on the study of various fields of mathematics. The emphasis is on understanding the usefulness of mathematics in everyday situations.

MAT156 Statistics

3 credits

Descriptive statistics, probability concepts, binomial and normal distribution and introduction to inference.

MAT210 Calculus I

4 credits

Limits, continuity, derivatives, applications, integration.

MAT216 Calculus II

4 credits

Inverses; logarithmic, exponential and trigonometric functions; techniques of integration; infinite series.

PSY111 Introduction to Psychology

3 credits

Basic concepts, methods and principles of the study of behavior and mental processes.

PSY241 Abnormal Psychology

3 credits

Prerequisite: PSY111

History, classification, diagnosis, and treatment of mental illness. Includes discussion of etiology, prevention, and legal/social issues.

PSY251 Social Psychology

3 credits

Examines theoretical and empirical approaches to understanding the individual as a member of society, including the development of attitudes, social behavior, group processes, motives, attitudes, norms, and the socialization process.

Information about CEP Courses *-an agreement between MHS and MCC/ECC*

Registering for MCC credit

All students must register through the high school counseling office. The High School Dual Credit Application is located on our website:

<https://mcc.iavalley.edu/admissions/enrollment/apply/>

Earning credit

A student enrolled in dual credit earns both MHS and MCC/ECC credit. Montezuma Community School District pays for the college credit(s). Take each class seriously, remembering that the grade(s) will be permanently recorded on an official college transcript that follows throughout all college endeavors.

Dropping a class

For a student to drop a college credit class, two drop forms must be completed: one for MHS and one for MCC. MHS counselors have the MCC drop slip, which requires the signature of the instructor and the high school counselor. The MHS Counseling Office collects and mails the drop slips to MCC. **The last day to drop 2021/22 courses, through the College, is November 19 (Fall semester) and April 15 (Spring semester).**

Failing a class

The failure of a pupil to complete or otherwise receive credit for an enrolled course requires the pupil to follow the individual procedures of his/her school.

Transferring the credit to another college

A student must request the transfer of credit by submitting a transcript request form to the MCC and/or ECC Registrar's Office (as listed above, the agriculture courses are offered through ECC). **The form is available at the Registrar's Office or online.** Access the MCC request form at <https://mcc.iavalley.edu/resources-for-students/registrars-office/> and the ECC request form at <https://ecc.iavalley.edu/resources-for-students/registrars-office/>.

The College charges a minimal \$5 processing fee to send a transcript. The student must pay this fee; Montezuma Community School District does not pay this fee. The transcript may be sent immediately or select 'send at the end of the term' to ensure all grades are posted on the transcript. The MCC Registrar's Office and the ECC Registrar's Office operate independently. If you've taken classes through both, you'll need to contact both offices to request that a transcript be sent from each institution. **As you submit college applications, you need to indicate that you have transfer credits.**
