

**CEP (Concurrent Enrollment Program)**  
**Dual Credit courses offered at AGWSR**

**AGA 114 Principles of Agronomy**

**3 credits**

A foundation course in agronomy applying crop, soil, and environmental sciences in understanding agricultural systems in the world. Includes introductory concepts of plant, soil, tillage, pest, environmental, and sustainable aspects of crop production. The course will consist of hands-on learning experiences.

**AGB330 Farm Business Management**

**3 credits**

Business and economic principles applied to decision making and problem solving in the management of a farm business, cash flow, partial, enterprise, and whole farm budgeting. Information systems for farm accounting, analysis, and control. Obtaining and managing land, capital, and labor resources. Alternatives for farm business organization and risk management.

**AGM202 Agriculture Welding**

**3 credits**

This course is designed for agricultural business, crop production, or livestock production students to gain basic principles of welding skills for the repair and modification of equipment and machinery. Students will study and practice basic welding principles involving shielded metal arc welding, oxyacetylene welding and tungsten inert gas or gas metal arc welding in the flat, horizontal, and vertical positions. Students will also study and practice basic metal cutting principles involving oxyacetylene torch and plasma cutting

**AGS113 Survey of the Animal Industry**

**3 credits**

Processes and principles involved in animal production and management (an introduction to livestock enterprises and related industries).

**MUS100 Music Appreciation**

**3 credits**

For students with no formal background in music. Includes historical information with an emphasis on developing the skills and tools of critical and appreciative listening. Covers specific musical periods, composers, styles, instruments and social influences.

---

**Information about CEP Courses**

**Registering for ECC credit**

All students must register through the high school counseling office. The High School Dual Credit Application is located on our website:

<https://mcc.iavalley.edu/admissions/enrollment/apply/>

**Earning credit**

A student enrolled in dual credit earns both AGWSR and ECC credit. AGWSR Community School District pays for the college credit(s). Take each class seriously, remembering that the grade(s) will be permanently recorded on an official college transcript that follows throughout all college endeavors.

### **Dropping a class**

For a student to drop a college credit class, two drop forms must be completed: one for AGWSR and one for ECC. The AGWSR counselor has the ECC drop slip, which requires the signature of the instructor and the high school counselor. The AGWSR Counseling Office collects and mails the drop slips to ECC. **The last day to drop 2022/23 courses, through the College, is November 18 (Fall semester) and April 14 (Spring semester).**

### **Failing a class**

The failure of a pupil to complete or otherwise receive credit for an enrolled course requires the pupil to follow the individual procedures of his/her school.

### **Transferring the credit to another college**

A student must request the transfer of credit by submitting a transcript through the National Student Clearing House by following the this link: [National Student Clearinghouse secure site](#). The College charges a minimal \$7 processing fee to send a transcript. The student must pay this fee; AGWSR Community School District does not pay this fee. The transcript may be sent immediately or select 'send at the end of the term' to ensure all grades are posted on the transcript. **As you submit college applications, you need to indicate that you have transfer credits.**
