Information about CEP Courses

Registering for College credit

All students must register through the high school counseling office. The High School Dual Credit Application is located on our website:

<https://mcc.iavalley.edu/admissions/enrollment/apply/>

Earning credit

A student enrolled in dual credit earns both West Marshall and College credit. West Marshall Community School District pays for the college credit(s). Take each class seriously, remembering that the grade(s) will be permanently recorded on an official college transcript that follows throughout all college endeavors.

Dropping a class

For a student to drop a college credit class, two drop forms must be completed: one for West Marshall and one for MCC. The West Marshall counselor has the MCC drop slip, which requires the signature of the instructor and the high school counselor. The West Marshall Counseling Office collects and mails the drop slips to MCC. **The last day to withdraw 2024/25 courses, through the College, is November 15 (Fall semester) and April 18 (Spring semester).**

Failing a class

The failure of a pupil to complete or otherwise receive credit for an enrolled course requires the pupil to follow the individual procedures of his/her school.

Transferring the credit to another college

A student must request the transfer of credit by submitting a transcript through the National Student Clearinghouse by following the this link: [National Student Clearinghouse secure site](#). The College charges a minimal \$7 processing fee to send a transcript. The student must pay this fee; West Marshall Community School District does not pay this fee. The transcript may be sent immediately or select 'send at the end of the term' to ensure all grades are posted on the transcript. **As you submit college applications, you need to indicate that you have transfer credit.**
