

2022 Equity in Athletics Disclosure Act (EADA) - Academic Year Enrollment Report

Iowa Valley Community College District

According to federal Student Right-to-Know legislation, schools that offer athletically related student aid must produce an annual report that includes enrollment, completion and graduation rates. This report must include rates for all students and for students who receive athletically related student aid.

This report provides total student enrollment (headcount) and enrollment of students who received athletic aid during Academic Year 2020-2021.

Categories with five or fewer students are noted with an asterisk (*). Questions about this report should be directed to the IVCCD Institutional Researcher.
